

JEWISH CEMETERY WALLERSTEIN - UNSCALED MAP

compiled in June 2007 by Rolf Hofmann (harburgproject@aol.com) based on gravelist - mistakes are inevitable as grave numbers are hard to read

Vandalism towards the end of WW II caused a loss of about 700 of the original 1.000 grave monuments. Today the original wealth and splendor of this once highly important burial ground is lost. Inscriptions are constantly losing legibility, and their original contents is only available because they were noted in the late 1900s
